

Have two players start
with 100 health points.

Round of fights- each one
reduces health points by
random number.

If one result falls below
0 in a round, then

#One Player
Wins

#Two Player
Wins

If both results fall
below 0 in a round,
then

Both Players
Die

If both scores remain
above 0, then

No finish-
Program
Repeats at
Purple box.
